Unfortunately I believe they plan all or some of precisely that activity. I am told Alderman Hamilton is firing the starting gun.

One other thought - I really hope there won't be excessive noise out in the plaza and on Juneau prior to the start like loudspeakers, horns, whistles etc...and firing off starting guns that will wake up the kids in the building (including ours). We can hear all of that stuff upstairs.

Hi Germaine,

Please find detailed information regarding vehicle access to the Moderne below. Moderne residents will have full, unrestricted access to and from the garage and surface lots on Friday, April 5th. On Saturday, April 6th, access will be restricted only between the hours of 3:00 AM and 2:00 PM. Any residents who need access to their vehicle during these hours can pick up a complimentary parking pass from Moderne Management allowing them to relocate their vehicle to the Highland Ave. garage.

Friday, April 5th:
Moderne residents will be able to access the garage from the east using Juneau Ave. and Old World 3rd St. Residents are authorized to bypass "Road Closed" signs and are advised to drive cautiously as Event Staff will be working in this area. There will be no access from the west. Residents who park in the surface lot are asked to enter the lot using the entrance on Old World 3rd St (fence will be opened).

Saturday, April 6th:
There will be no access to the garage between the hours of 3:00 AM and 2:00 PM. Any residents requiring access to their vehicle during this time can pick up a complimentary 24 hr parking pass from Moderne management. Residents can park in the Highland Ave. garage beginning on Friday, April 5. Vehicles must exit the Highland Ave. garage (1030 N 6th St, Milwaukee, WI 53203) by 2:00 PM on Saturday, April 6 when access to the Moderne parking facilities resumes. The surface lot access will not be restricted and can be accessed using Old World 3rd St via W McKinley Ave.

Please let me know if you have any questions or if any additional information is required.

Nate,

Please outline what access to the Modern will look like during the marathon's setup and race. This information will be shared with all concerned parties including Alderman Bauman, Commissioner Jeff Polenske, and will be offered in response to those who contact DPW directly seeking iinformation.

In addition, please ensure the access plan to the Modern is received by the property's residents and owners.

Thank you,
