Subject: Re: application dropped off

I don't need a registered letter to save the expense. Just email me the information and I will confirm that I received it and will attend.
Thank you!

Wendy

I have received the scan from Carlen. Expect a registered letter within the week confirming your hearing on December 14.

Subject: application dropped off

Hi Tim,

I am following up with the last email I sent yesterday. I dropped off the application in person and slid it under your office door because you or Carlen were not there this morning at 9:45am. Jack who works in City records suggested I slide it under your door and stated he would alert you to the application.

Please confirm you received it. I have CC Carlen so both of you are aware of my completed application that is waiting under your office door.

Thank you!

Wendy Wasserman
