Subject:	Certificate of Appropriateness for 1348 E. Brady Street

Hello,

I am the owner of the properties located at 1338-1340 and 1344 E. Brady Street and was not able to access the proposed changes to the exterior of 1348 E. Brady Street. Obviously the new structure will be close to my 1344 building and my only concern is damage to the foundation of my 1344 building from excavation for the new building. My concern may not be within your purview for this project but I did want the city to be aware of my concern. Unfortunately, I will be out of town from 2/29 through 3/15/16 and cannot attend the meeting on March 14th. However, I am fine with the decision of the Historic Preservation Commission and hope that my concern is given attention.

Sincerely,

Sandra A. Orcholski
