Ald. Bauman,

I will connect with the Moderne management to ensure that the residents are getting the correct information which was provided last week.

As part of the notification plan, a general timeline of street closures has been made available to the public. I presume that residents of the Moderne have seen this timeline and are unaware of the special arrangements that have been made on their behalf. Regardless, we will make sure to address so that all residents have the correct information.

Sincerely,

I had discussed the access/traffic plan with Moderne management on Thursday, Mar 22. The parking passes along with a flyer which included the aforementioned information were provided to the Moderne on Thursday, Mar. 28.

I cannot confirm exactly when the information we provided to the Moderne was relayed to the residents.

Thanks,

Hi Germaine,

Please find detailed information regarding vehicle access to the Moderne below. Moderne residents will have full, unrestricted access to and from the garage and surface lots on Friday, April 5th. On Saturday, April 6th, access will be restricted only between the hours of 3:00 AM and 2:00 PM. Any residents who need access to their vehicle during these hours can pick up a complimentary parking pass from Moderne Management allowing them to relocate their vehicle to the Highland Ave. garage.

Friday, April 5th:
Moderne residents will be able to access the garage from the east using Juneau Ave. and Old World 3rd St. Residents are authorized to bypass "Road Closed" signs and are advised to drive cautiously as Event Staff will be working in this area. There will be no access from the west. Residents who park in the surface lot are asked to enter the lot using the entrance on Old World 3rd St (fence will be opened).

Saturday, April 6th:
There will be no access to the garage between the hours of 3:00 AM and 2:00 PM. Any residents requiring access to their vehicle during this time can pick up a complimentary 24 hr parking pass from Moderne management. Residents can park in the Highland Ave. garage beginning on Friday, April 5. Vehicles must exit the Highland Ave. garage (1030 N 6th St, Milwaukee, WI 53203) by 2:00 PM on Saturday, April 6 when access to the Moderne parking facilities resumes. The surface lot access will not be restricted and can be accessed using Old World 3rd St via W McKinley Ave.

Please let me know if you have any questions or if any additional information is required.
