Kathy:

This is in response to a request for information from the Capital Improvements Committee, which you may pass on as appropriate. I pulled up an old letterhead from November 1979. At that time there were 24 Assistant City Attorneys and 3 Deputies, in addition to the City Attorney himself -- for a total of 28. Of those positions, five were at the ordinance enforcement division at the Police Administration Building. Our total attorney staff is now 39.
