Here is the new information for the file. I believe I sent the drawing to the commissioners but not the link to the door manufacturer.

Hi Carlen,

Attached are the revised drawings, they print to scale on 8.5x11. Also attached is a link to the four fold door providers web site, please include for commission review. Ken McNulty, the owner, will be sending over digital copies of the images he sent last week with the application. Please let me know if there is any other information needed for the meeting Monday.

Thanks,

Mike
