Subject: 1550 N. Prospect Ave Comment

Mary Ann G. (didn't want to give her full last name)
1570 N. Prospect Ave.

She is opposed to the project. "They tried to do this once before and it failed…I don't see the need to build behind that building; that historical building."

"I just don't understand how they believe they can get the rent; that they can get enough renters."

Questions, &c., of me, please let me know.

Jim
