While we have made our concerns known previously by e-mail regarding moving the Goll Mansion a new matter has arisen. We strongly object to the HPC approving at the May 9th meeting a Certificate of Appropriateness for moving the Goll Mansion when there is no city approved plan for the developement of the property at 1550 North Prospect Avenue.
Respectfully submitted,
Carol and David Raasch
1522 North Prospect Avenue #1603
