City of Milwaukee

Equity Impact Statement

1. Describe the proposed ordinance or resolution.

The development and implementation of an Electrical Hazard Awareness Training Program (EHAP) for all City of Milwaukee Forestry employees which may include First Aid/CPR and Aerial Rescue Training. This grant will also provide Teaching Methods and Technology – Apprentice training/certification for a limited amount of staff in order to expand the Forestry Sections ability to provide qualified instructors for the Urban Forestry Arborist Apprenticeship Program. These training programs will enable the Forestry Section and its employees to stay in compliance with OSHA and ANSI safety standards and State of Wisconsin Apprenticeship Standards while safely delivering forestry services to all neighborhoods and citizens throughout the City of Milwaukee using best management practices.
