MILWAUKEE HISTORIC PRESERVATION COMMISSION

LIVING WITH HISTORY

Certificate of Appropriateness

Milwaukee Historic Preservation Commission/200 E. Wells Street/Milwaukee, WI 53202/phone 414-286-5712/fax 414-286-3004

Property 1943 E. TROWBRIDGE ST. Trowbridge School, an individually designated historic property

Description of work Applicant will be replacing 12 existing cobra head exterior lights with new LED fixtures.

Date issued 12:00:00 AM PTS ID 108604 COA exterior Lighting

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

The new light fixtures will be installed in the current 12 locations around the perimeter of the building. They will be sand colored to match the color of the brick and the new conduit will be painted to match the color of the brick. The new fixtures will illuminate straight down and not be shed onto adjacent properties. The lights will be on a timer to turn on at dusk.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Carlen Hatala of the Historic Preservation staff as follows: Phone: (414) 286-5722 Fax: (414) 286-3004 E-mail: carlen.hatala@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.

Height: 7 5/8" (19.4 cm)

Back Box (DBW)

Width: 5 1/2" (14 cm) EBW Weight: 1 lbs (0.5 kg)

Depth: 1 1/2" (3.8 cm)

Height: 4" (10.2 cm)

Introduction

The D-Series Wall Luminaire is a stylish, fully integrated LED solution for building-mount applications. It features a sleek, modern design and is carefully engineered to provide long-lasting, energy efficient lighting with a variety of optical and control options for customized performance.

With an expected service life of over 20 years of nighttime use and up to 76% in energy savings over comparable 400W metal halide luminaires, the D-Series Wall is a reliable, low-maintenance lighting solution that produces sites that are exceptionally illuminated.
