Subject:	6/14 S&R and Council meetings regarding MPS Financial Impact Statement for Next Door Foundation charter school
Date:	Monday, June 13, 2016 11:39:03 PM

President Hamilton, Members of the Steering and Rules Committee:

I'm concerned and disappointed in the CSRC's action on the MPS Financial Impact Statement for the Next Door Foundation's charter school authorization.

> Academic dishonesty/plagiarism: The Financial Impact Statement provided to CSRC by ITL looks to be is a textbook case of plagiarism (per Merriam-Webster): "to use the words or ideas of another person as if they were your own words or ideas".
>
> Howard Fuller testified before CSRC that the impact statement was not ITL's product, but WILL's.
>
> Not one CSRC member said a word, which is especially disturbing since two are *higher education faculty* (Krei and Mace).
>
> Common Council Integrity:
>
> It doesn't enhance the Council's integrity and reputation for such CSRC behavior to go unchallenged. It's arguably malfeasance.

Thanks for your time.
