Subject: Oppose decriminalizing marijuana

Dear Alderman Dimitrijevic, I am writing as a citizen of the City of Milwaukee asking that you oppose the proposed resolution to decriminalize marijuana in our city. I realize the Public Safety and Health Committee is holding a hearing today on this resolution. Please use your influence to stop this resolution in committee and with the entire Common Council should that be necessary. Decriminalizing this drug is not in the best interest of our citizens and will send a message that recreational use of marijuana is not just acceptable but good. I am especially concerned that we could see an increase in drug use, more drug-related traffic accidents, and more violence, including domestic violence since research shows using marijuana often results in more violent behavior. Thank you for carefully considering my concerns. I look forward to hearing that you have opposed this effort to decriminalize this drug. Sincerely, Jolene Hall 5381 North 106th Street, Milwaukee, WI, USA
