Thanks for your reply. I understand that there will be some disruption as Milwaukee hosts events at the Fiserv Forum. As a matter of fact, I am very excited with all the development and events that the Forum is drawing to the neighborhood. But, there has to be some limit to the amount of the disruption to residents. Lessening the hours that Juneau is to be closed, especially on Friday, would be very helpful. Thanks for listening. Marina

I am sorry about this. I will forward your email to MPD and DPW who have ultimate authority over the route, road closures and other restrictions. Moving the race route is probably a non starter at this point but perhaps the hours of restrictions could be adjusted. To a certain extent some level of disruption is inevitable if Milwaukee is to host such events at major venues such as the Fiserv Forum and Summerfest.

I have not been a fan of the marathon from the start because of these disruptions. Unfortunately there appears to be broad support especially from businesses. We thought a Saturday event would reduce problems encountered with churches when Sunday was the day and we thought we would reduce disruption in the Third Ward when we moved the venue from Summerfest to the Fiserv Arena. I apologize.

Hello,
I am emailing on behalf of the residents of the Moderne (303 W Juneau). We have been told that we will not have access to our garages starting Friday at 7am til Saturday at 2pm. We have been given a parking pass to the parking structure on Highland, several blocks away from 2pm on Friday til 2pm on Saturday. I understand that for a Marathon, we need to shut down roads for several hours, but to deny access to residents for 36 hours seems quite excessive. I am wondering if you can help out and either a) allow residents access to the building on Friday via one lane on Juneau; and/or 2) suggest that the race starts on Vel R Philips Avenue and go south thru the Forum open area to State St, then to Water street and head south. The present course starts at the Forum and heads East on Juneau to Water, then South on Water. I don't know why Juneau is being planned to be shut for 36 hours, but how can that be? Thanks. Marina

Below is a map of the course for your reference:
