To Members of the Historic Preservation Commission:

I am writing as a concerned resident of 1522 On-The-Lake about the proposed building to be built on the Goll Mansion site. As reflected in the plans submitted by the developer, it would appear that major modifications to the plans are desirable to retain the aesthetics and historic integrity of the neighborhood.

Your leadership in approving a final plan that respects and maintains the functionality, safety, and character of the neighborhood is requested.

Thank you for your attention to this matter.

Sincerely,
Marie E. Weiss, Ph.D.
