Subject: 4th ALD. DIST. - FILE #110120
INSTALL NO PARKING ON THE SOUTH SIDE
OF WEST ST PAUL AVENUE FROM A POINT
630 FEET EAST OF NORTH 12TH STREET TO
A POINT 85 FEET EAST THEREOF

Dear Alderman Bauman:

This is in response to a request we received from the Wisconsin Department of Transportation Field Office located at 1001 West St Paul Avenue to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the parking lot of the Wisconsin Department of Transportation Field Office have a difficult time seeing traffic traveling east and west bound on West St Paul Avenue when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

SUBJECT: 12th ALD. DIST. - FILE #110120
INSTALL NO PARKING ON THE WEST SIDE
OF SOUTH 2ND STREET FROM A POINT 400
FEET NORTH OF WEST SEEBOTH STREET
TO A POINT 160 FEET NORTH THEREOF

Dear Alderman Witkowiak:

Due to the narrowing of South 2nd Street between the Milwaukee River and West Seeboth Street and the installation of the mountable curb on the west side of the street in this block, there is a need to install the above-captioned parking restriction to allow trucks to use the mountable to access the loading docks on the east side of the street. Since the property owner adjacent to this restriction is in agreement with the installation of the restriction, we support its installation.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
