

Fiber Infrastructure Partnership between the City of Milwaukee
and AT&T.

The City of Milwaukee ("CITY") and Wisconsin Bell, Inc., d/b/a AT&T Wisconsin ("AT&T") are entering into this agreement to share underground conduit infrastructure and resources to provide each agency with a more efficient and reliable communications network. The scope of this agreement shall include utilization of underground conduit as designated below.

I. RESPONSIBILITIES OF PARTIES

- AT&T will allow shared CITY use of one conduit of the AT&T conduit package that runs east-west from the CITY Linnwood Water Purification Plant approximately 330 feet to a CITY manhole.
- CITY will allow shared AT&T use of one conduit of the CITY conduit package that runs from the CITY manhole located approximately 330 feet to the west of the CITY Linnwood Water Purification Plant to the CITY manhole located at the intersection of North Lake Park Road and North Lincoln Memorial Drive.

II. TERMS OF USAGE

- The party owning the conduit as described in section I of this agreement must provide written authorization to the other party prior to the installation of any facilities within the conduit by the other party.
- The party owning the conduit as described in section I of this agreement shall assume responsibility for the maintenance of that conduit for the duration of the agreement.
- This agreement shall be effective for four (4) years beginning on the date the agreement is signed by both parties. This agreement then renews year to year unless sixty (60) days written notice is given by either party.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day, month and year first set forth below.
