HUMAN RESOURCES AGREEMENT

HUMAN RESOURCES AGREEMENT
(THE NORTH END PHASE II PROJECT)

This Human Resources Agreement (“Agreement”) is entered into as of _____,
by and between the City of Milwaukee (“CITY”), and _____
 (“DEVELOPER”).

WHEREAS, the parties to this Agreement acknowledge and understand that this Agreement is executed in conjunction with a _____ Agreement (_____ Project) dated as of the first day of _____, 200__ (the “_____ Agreement”) executed by the parties in connection with the implementation of Tax Incremental District No. _____;

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding the utilization of EBEs (defined below), in Chapters 355 and 360 of the Milwaukee Code of Ordinances; and

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding the utilization of CITY residents in Chapter 355 of the Milwaukee Code of Ordinances; and

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding the employment of apprentices and on-the-job trainees in Chapter 355 of the Milwaukee Code of Ordinances; and

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding a “first-source-employment” program to be utilized in the recruiting of applicants for new and replacement employment in Chapter 355 of the Milwaukee Code of Ordinances; and

WHEREAS, DEVELOPER acknowledges that CITY’s approval and execution of the _____ Agreement was conditioned upon the DEVELOPER, its Affiliates and their agents,

agreeing to meet the requirements of this Agreement with respect to the development of the Project.

NOW, THEREFORE, the parties agree as follows:

I. DEFINITIONS

1. EMERGING BUSINESS ENTERPRISE (“EBE”) is a small business concern that is owned, operated and controlled by one or more individuals who are at a disadvantage, as defined in Chapter 360 of the Milwaukee Code of Ordinances. The individuals must have day-to-day operational and managerial control, interest in capital, financial risks and earnings commensurate with the percentage of their ownership. Emerging Business Enterprises are certified as such by the CITY Certification Program. Notwithstanding anything to the contrary contained herein, DEVELOPER may rely on CITY’s certification that a particular business qualifies as an EBE and all work performed by a business certified by CITY as an EBE shall qualify as work to be applied toward the percentage of total PROJECT Costs more particularly described below.

2. EBEP means CITY’s EBE Program.

3. FIRST-SOURCE EMPLOYMENT PROGRAM means an employment program operated by CITY or its designee which is to be utilized as contractors’ first source for recruiting applicants for both new and replacement employment.

4. JOINT VENTURE is an association of two or more persons or businesses to carry out a single business enterprise for profit for which purpose they combine their property, capital, efforts, skills and/or knowledge.

5. PROJECT means the _____ PROJECT, as more particularly described on **EXHIBIT A**.

6. PROJECT COSTS means all costs of the PROJECT, but less and excluding all PROJECT COSTS associated with the purchase, lease or right to use any land; permit fees paid to CITY or any other governmental entity or quasi-governmental entity; utility company fees; financing and interest expenses; insurance premiums; work within trades for which there is no available EBE participation; other work not contracted through DEVELOPER and over which DEVELOPER does not have direction or control in the selection of contractors or material providers for the same; and other costs approved by DEVELOPER and the CITY's EBEP Office, with such approval not being unreasonably withheld. Prior to the commencement of each phase or portion of the PROJECT, DEVELOPER or its representatives and the EBEP Office shall meet and confer to determine the eligible PROJECT COSTS for such phase or portion of the PROJECT.

7. RPP means CITY's Resident Preference Program.

II. EMERGING BUSINESS ENTERPRISE PROGRAM

DEVELOPER shall, in developing and constructing the PROJECT, utilize EBEs for no less than 25% of the total PROJECT Construction Costs and 10% of the amounts expended for the purchase of services, professional services and supplies for the PROJECT deemed eligible pursuant to EBE guidelines.

A. DEVELOPER from and after the date of this Agreement and in conjunction with the PROJECT, shall undertake the following activities:

1. Advertising in general circulation and trade association media, as well as in community newspapers, regarding contracting and subcontracting opportunities. Advertising in the Daily Reporter and two other publications shall be the minimum acceptable level of performance. See **EXHIBIT B**.
2. Providing interested EBEs and the agencies listed in **EXHIBIT C**, with adequate information about the PROJECT plans, specifications, and contract/subcontract requirements prior to the contract bidding process.

3. Obtaining and submitting the Affidavit of Participation Plan, **EXHIBIT D**, to the EBEP Office. This form must be submitted with contractor's or subcontractor's bids or as otherwise specified by the EBEP Office.
4. Providing written notice to all pertinent construction trade and professional service EBEs listed in the current EBE Business Directory, soliciting their services in sufficient time (at least 1 week) to allow those businesses to participate effectively in the contract bidding process. To identify EBEs for the PROJECT, the current *Official CITY of Milwaukee EBE Business Directory* published by the EBEP Office should be utilized. The directory can be accessed on-line at: www.milwaukee.gov/ebe.

Following-up with EBEs which show an interest in the PROJECT during the initial solicitation process and maintaining documentation of any contact with such EBE.

5. Selecting trade and professional service areas for EBE awards in which the greatest number of EBEs exist to perform the work, and where appropriate, breaking down contracts or subcontracts into smaller, economically feasible units to facilitate EBE participation.
6. Negotiating in "good faith" with interested EBEs, not rejecting EBE bids as unqualified or too high without sound reasons based on a thorough review of the bid submitted and maintain documentation to support the rejection of any EBE bid. Bids that are not cost effective, and/or which are not timely or consistent with the PROJECT schedule will be considered "rejectable" bids by the EBEP Office.
7. Using commercially reasonable efforts to utilize the services offered by public or private agencies and other organizations in identifying EBEs available to perform work.
8. Including in PROJECT bid documents and advertisements an explanation of PROJECT requirements for EBE participation to prospective contractors and subcontractors.
9. As necessary and whenever possible, using commercially reasonable efforts to facilitate the following:
 - a) Joint ventures, limited partnerships or other business relationships intended to increase EBE areas of expertise, bonding capacity, credit limits, etc.
 - b) Training relationships
 - c) Mentor/protégé agreements

- B. If DEVELOPER completes the aforementioned activities and demonstrates "good cause", as determined by the EBEP Office, for not meeting the 25% requirement

for EBE participation for the construction of any phase or portion of the PROJECT or the 10% requirement for the purchase of services, professional services and supplies for the PROJECT, it shall be deemed that DEVELOPER has acted in “good faith” and used best efforts to achieve the requirement with respect to such phase or portion.

- C. If at any point during the term of this Agreement, DEVELOPER meets or exceeds the 25% EBE requirement in conjunction with the construction of any phase or portion of the PROJECT or the 10% requirement for the purchase of services, professional services and supplies for the PROJECT, whether commenced before or after the date hereof, it shall be deemed that the DEVELOPER has achieved or exceeded CITY’s EBE requirement with respect to such phase or portion, for the purposes of fulfilling the terms of this Agreement. The parties acknowledge that fulfillment of CITY’s EBE requirement for the PROJECT shall be determined on an aggregate basis for all phases and portions of the PROJECT, whether commenced before or after the date hereof. Accordingly, to the extent that DEVELOPER exceeds CITY’s EBE requirement for any phase or portion of the PROJECT, the EBEP Office shall consider and reflect such excess in analyzing fulfillment of CITY’s EBE requirements for other phases and portions of the PROJECT.
- D. Contract or subcontract amounts awarded to EBE suppliers, that do not manufacture products they supply, may only be counted for up to 20% of the 25% EBE participation requirement.

III. RESIDENT PREFERENCE PROGRAM

DEVELOPER shall, in developing and constructing the PROJECT, utilize unemployed or underemployed residents, as defined in sec. 355-1.3. of the Milwaukee Code of Ordinances, for no less than 30% of the total “worker hours” expended on “Construction,” as defined in sec. 309.41 of the Milwaukee Code of Ordinances,¹ included in Project Costs but less and excluding all non-Construction Project Costs. DEVELOPER from and after the date of this Agreement and in conjunction with the PROJECT, shall undertake the following “best efforts” activities:

1. Listing and causing contractors and sub-contractors to list open positions with any first source hiring agency specified by CITY’s EBEP Office.
2. Disseminating information provided by CITY’s EBEP Office to all contractors and sub-contractors on how to recruit unemployed and underemployed residents.

¹ The definition of “Construction” shall mean “Construction” as defined in sec. 309.41 of the Milwaukee Code of Ordinances, but as modified to reflect the private nature of this Project.

3. Listing and causing contractors and sub-contractors to list job openings with Wisconsin Job Service, W-2 agencies and other agencies as specified by CITY's EBEP Office.
4. Working in cooperation with CITY, identify and implement any other activities and steps to maximize utilization of unemployed and underemployed residents on the Project.
5. Disseminate Employee Affidavit form, attached as **EXHIBIT G**, to all contractors and sub-contractors for their use in documenting RPP compliance.

Prior to the commencement of the PROJECT, DEVELOPER or its representatives and the EBEP Office shall meet and confer to determine the eligible Project Costs, which are Construction costs subject to the mandatory RPP requirement. If at any point during the term of this AGREEMENT, DEVELOPER meets or exceeds the 30% mandatory RPP requirements in conjunction with the PROJECT, it shall be deemed that the DEVELOPER has achieved or exceeded CITY's RPP requirement with respect to the PROJECT. For the purpose of fulfilling the terms of this AGREEMENT, the parties acknowledge that fulfillment of CITY's RPP requirement for the PROJECT shall be determined on an aggregate basis for all portions of the PROJECT, whether commenced before or after the date hereof, accordingly, to the extent the DEVELOPER exceeds the CITY's RPP requirement for any portion of the PROJECT, the EBEP office shall consider and reflect such excess in analyzing fulfillment of the CITY's RPP requirements for other portions of the PROJECT.

DEVELOPER shall file the reports attached as **EXHIBIT F** to evidence compliance with RPP requirements with CITY's EBEP Office. All RPP reports shall be accompanied by supporting Employee Affidavits, in the form attached as **EXHIBIT G**.

IV. EBE AND RPP REPORTING

DEVELOPER agrees to report to CITY's EBEP Office, the City Common Council and the Zoning, Neighborhoods and Development Committee of the City Common Council on DEVELOPER's utilization of EBEs and unemployed or underemployed residents in its contracting activities for the PROJECT, pursuant to Chapter 360 of the Milwaukee Code of

Ordinances and in accordance with the requirements of this Agreement. In order to monitor the PROJECT's EBE and unemployed or underemployed worker participation, the CITY requires, and DEVELOPER agrees to take the following steps:

- A. Provide a list of all categories of PROJECT work for each phase or portion of the PROJECT, with budget allowances, for which bids will be solicited and highlight those categories, based upon DEVELOPER's knowledge and experience, which are conducive to EBE participation.
- B. Provide the CITY's EBEP Office with documentation supporting efforts extended to solicit bids from EBEs. Upon request, DEVELOPER shall make information related to EBE bids available to CITY's EBEP Office.

- E. Make a quarterly presentation to the Zoning, Neighborhoods and Development Committee of the City Common Council regarding achievement of EBE and RPP standards for the duration of construction. Said presentation shall be coordinated through the EBEP office.

V. APPRENTICESHIP AND ON-THE-JOB TRAINEE REQUIREMENTS.

DEVELOPER shall employ, and shall require all contractors and subcontractors to employ, apprentices and on-the-job trainees in the performance of all construction contracts and subcontracts for the PROJECT entered into by DEVELOPER or each contractor or subcontractor in accordance with the maximum ratio of apprentices to journeymen established by the Wisconsin department of workforce development. In determining whether this requirement is appropriate for insertion in specifications for a particular construction contract, the EBEP Office may consider the nature of the work, whether the construction contract is of short duration and whether their work will involve trades which do not have apprentices or on-the-job trainees.

DEVELOPER shall submit and cause all contractors and subcontractors to submit contract time reports showing compliance with any contract requirements imposed in accordance with this section at least once every 3 months during the course of their work and within 10 days following completion of their work.

VI. FIRST-SOURCE EMPLOYMENT UTILIZATION.

A. DEVELOPER shall require all contractors and subcontractors on the PROJECT to utilize the FIRST-SOURCE EMPLOYMENT PROGRAM, and:

1. A contractor or subcontractor shall notify the EBEP Office, or its designee, about an open position, including a general description and the minimum requirements for qualified applicants prior to announcing or advertising such position for work which shall be performed as a result of a construction contract, construction subcontract or of a new employment position required for the PROJECT.
2. The contractor or subcontractor shall not make any public announcement or advertisement for a period of 10 business days after notification to the EBEP Office or its designee, of the availability of the position.
3. The EBEP Office or its designee shall maintain a database of job opportunities and shall provide information on these job opportunities to all city residents.
4. The advance notice period required by par. 2 shall be waived if there are no qualified candidates to refer to the contractor or subcontractor. The EBEP Office or its designee, shall notify the contractor or subcontractor of this waiver within 5 business days of being informed of the job availability.
5. The EBEP Office or its designee shall institute a tracking system and record which applicants were interviewed, which applicants were not interviewed and which applicants were hired for positions subject to this subsection.

B. The EBEP Office shall confirm that each construction contract for the PROJECT entered into by DEVELOPER requires contractors and subcontractors to enter into a first-source agreement with CITY or its designee which shall apply for the duration of the contract. A first-source recruitment agreement shall require:

1. Utilization of the FIRST-SOURCE EMPLOYMENT PROGRAM as the first source for recruitment and referral of applicants for new and replacement employment.
2. Allowing the FIRST-SOURCE EMPLOYMENT PROGRAM a minimum of 10 business days to refer applicants to contractors. Contractors may apply for a waiver of the 10-day requirement in emergency situations. Waivers may only be granted by the EBEP Office or its designee.
3. The contractor or subcontractor to interview and consider qualified applicants referred by the EBEP Office or its designee before interviewing other.
4. **HIRING DECISIONS.** Contractors and subcontractors shall retain the right to make all final hiring decisions.
5. **AGREEMENTS.** First-source recruitment agreements shall not require contractors or subcontractors to comply with this section if job vacancies or newly-created positions are filled by transfer or promotion from existing staff or from a file of qualified applicants previously referred by the EBEP Office or its designee.

C. The EBEP Office shall monitor compliance with this section.

- a. Collection of any prevailing wage shortfall, with interest, for distribution to employees performing work on the PROJECT.
