Re: **Marriott Hotel Project**
Wisconsin Avenue at Milwaukee Street

Dear Mr. Lee,

I own an office building at 322 East Michigan Street which is contiguous to the above referenced proposed development.

Since this project was reviewed and approved earlier this year, I understand there have been substantial revisions. I am requesting that the project again be reviewed by the Historic Preservation Commission so that those revisions can be approved.

Very Truly Yours,

David V. Uihlein, Jr.
