MOTION BY: ALD. DAVIS

FILE NO. 131162

VERSION: ORIGINAL

TITLE: A charter ordinance relating to the administration of the employees' retirement system.

ITEM NO. 21

COMMITTEE: COMMON COUNCIL

TEXT OF MOTION

Mr. President, I move to amend this charter ordinance by deleting Part 2 and 3 on page 2 .

ANALYSIS

This amendment would make no changes to the Charter as it relates to the election of member representatives to the Board. Firefighters would not vote for a firefighter representative, Policemen would not vote for a police representative and General City employees would not vote for a General City representative. These 3 board representatives would be voted by the total membership as is currently the case.

This amendment makes no other changes as compared to the original.
