In response to letter denying my claim, dated October 1, 2009. I never received written notification from the city lot on July 25th, 2009. As a matter of fact, the first time I went to see my car, the city lot people claimed my car was not there without even looking it up to see if it was there. I have a witness that can verify this. I came to view my vehicle one I discovered that the vehicle was there several times. I was denied access to my vehicle because I did not have the car title, even though I told them the registration was in the car. I believe the city was negligent in this matter. I have no such letter in my possession that says my car will be destroyed. I have a witness that will testify that I went to the city lot at least 3 times to recover my car.

In closing, I feel the City of Milwaukee is responsible for my monetary claim. I feel my claim is reasonable and I am prepared to hire a lawyer to represent me in resolving this matter to my satisfaction.

Sincerely,

Gregory J Jacoby

Dear City Clerk,

It is my understanding that I had 30 days to pick up my car at the city tow lot on Lincoln Ave. I was never called by phone or notified in writing that my car would be crushed. My car was crushed within the 30 day time period. My 1984 Pontiac Sunbird convertible was involved in an accident on July 24th 2009 and towed to the city lot on Lincoln. My car had Wisconsin collector plates on it. I am filing a Claim for the following.

New license plates and replacement title	\$100.00
Tool box and tools	\$100.00
Cell phone charger	\$15.00
Miscellaneous item	\$50.00
Value of car	\$4600.00

Total	\$4865.00

The appraisal on the value of the car was in the glove box. Enclosed are pictures of my car at the West Allis Car show in October 2009. Please process this claim in a timely manner.

Sincerely,

Gregory J Jacoby
