ALD. WITKOWSKI

Resolution amending Resolution File # 081124 to extend the period of authority, responsibilities and activities of the Mobile Home Study Task Force to January 7, 2010.

The Mobile Home Study Task Force (“task force”) was created by Resolution File # 081124, adopted January 16, 2009, which provided that the task force complete its work within 6 months and thereafter be dissolved. This resolution amends Resolution File # 081124 changing the time period in which the task force is to submit its findings and recommendations to the Common Council an additional 6 months to January 7, 2010, after which time the task force will be dissolved. Whereas, The Common Council created a Mobile Home Study Task Force (“task force”) by Resolution File # 081124, adopted January 16, 2009; and

Whereas, Resolution File # 081124 provided that the task force submit its findings and recommendations to the Common Council within 6 months of adoption after which time the task force shall be dissolved; and

Whereas, The task force met and deliberated May 28 and June 25, 2009; and

Whereas, The task force has determined that it will benefit from additional meetings; and

Whereas, The Common Council finds that the task force has been diligent in fulfilling its responsibilities and mission and that an extension for a period of 6 months for submission of task force findings and recommendations is appropriate to assure successful completion of the work of the task force; now, therefore, be it

Resolved, That Resolution File # 081124 shall be amended by deleting the final “Further Resolved clause” and replacing it with the following:

“Further Resolved, The task force shall submit its findings and recommendations to the Common Council within 12 months of adoption of this resolution and shall thereafter be dissolved effective January 7, 2010.”
