THE CHAIR

Resolution authorizing the City Comptroller to transfer funds to various State or Federal Aid project subaccounts for the estimated remaining Wisconsin Department of Transportation and City of Milwaukee preliminary engineering, construction engineering, plan review and development costs of \$240,000 with the City's share being \$305,000 and the grantor's share being \$-65,000.

This resolution authorizes the City Comptroller to transfer funds to the previously established subaccounts for the remaining Wisconsin Department of Transportation and City of Milwaukee's preliminary engineering, construction engineering, plan review and development costs of \$240,000 with the City's share being \$305,000 and the grantor's share being \$-65,000.

Whereas, The Common Council has previously adopted resolutions authorizing the City Comptroller to transfer funds to various State or Federal Aid project subaccounts for preliminary engineering, construction engineering, plan review and development; and

Whereas, Additional planning and review during the design stage and additional work during the construction stage have resulted in increased costs charged against the projects; and

Whereas, The estimated grant funding under State I.D. 2984-23-72 was reduced from \$640,000 to \$575,000 due to a reduction in available funds; and

Whereas, Additional funds are, therefore, necessary for the estimated remaining Wisconsin Department of Transportation and City of Milwaukee preliminary engineering, construction engineering, plan review and development costs for these projects; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the City Comptroller is directed to transfer funds to the
