From Glendale Redevelopment, LLC (Parcel 1): That part of Lands in the Northeast 1/4 of Section 6, Township 7 North, Range 22 East, described as follows: Commencing at the point of intersection of the present westerly line of North Green Bay Avenue and the southerly line of the former 100-foot wide railroad right-of-way, said point lying 60.00 feet westerly of, as measured normal to, the original centerline of North Green Bay Avenue; thence Northwesterly to a point in the northerly line of said former railroad right-of-way, said point lying 52.99 feet westerly of, as measured normal to, said original centerline; thence Southeasterly, along said northerly line, to a point lying 33.00 feet westerly of, as measured normal to, said original centerline; thence Southeasterly, parallel to said original centerline, to a point in the southerly line of said former railroad right-of-way; thence Northwesterly, along said southerly line, to the point of commencement.

From Glendale Partners, LLC (Parcel 2): That part of Lands in the Northeast 1/4 of Section 6, Township 7 North, Range 22 East, described as follows: Commencing at the point of intersection of the present easterly line of North Green Bay Avenue and the southerly line of the former 100-foot wide railroad right-of-way, said point lying 60.00 feet easterly of, as measured normal to, the original centerline of North Green Bay Avenue; thence Northwesterly, along said southerly line, 39.41 feet to a point lying 33.00 feet easterly of, as measured normal to, said original centerline; thence Northwesterly, parallel to said original centerline, to a point in the northerly line of said former railroad right-of-way; thence Southeasterly, along said northerly line, 40.91 feet to its point of intersection with the present easterly line of North Green Bay Avenue, said point lying 61.03 feet easterly of, as measured normal to, said original centerline; thence Southeasterly to the point of commencement; and

Whereas, Glendale Redevelopment, LLC and Glendale Partners, LLC also have agreed to assign any easements that it may have in the area to be dedicated for opening North Green Bay Avenue to the City; and

Whereas, The City Plan Commission has approved the acquisition and dedication of these properties as public right-of-way for street purposes; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of the Department of City Development ("DCD"), or assigns, is authorized to accept quit claim deeds from Glendale Redevelopment, LLC and Glendale Partners, LLC for property necessary to open North 24th Place between West Cornell and West Purdue and to open North Green Bay Avenue north of West Cornell and to dedicate these areas as public right-of-way for street purposes as legally described above and illustrated in Exhibits A and B; and, be it
