Whereas, One of the catalytic projects proposed in the District is the restoration and renovation of the office building at 642 West North Avenue; and

Whereas, Renovations for this property are estimated to cost \$500,700, which includes new windows, roof work; updated heating, ventilation and air conditioning; facade restoration, including original architectural features; pavement maintenance/patchwork, landscaping and construction of a parking area in the rear of the building; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that a customary Cooperation Agreement with the Redevelopment Authority of the City of Milwaukee is approved and that the proper City officials are directed to execute said Agreement and such other documents and instruments, as may be necessary, to provide a loan to the 642 West North Avenue Project on terms set forth in said Agreement in substantially the form prepared for and a copy of which is attached to this Common Council File; and, be it
