ALD. HAMILTON

Resolution authorizing the transfer and expenditure of \$21,000 from the Development Fund for the Atkinson, Capitol and Teutonia State Transportation Enhancement Project.

This resolution directs the appropriate City officials to transfer \$21,000 from the Development Fund parent account to a new subaccount. This street enhancement project will include Phase II commercial district amenities such as extensive landscaping, commercial district signage and specialty paving at designated intersections.

Whereas, The 2008 City of Milwaukee's Capital Budget contains \$21,000 in the Development Fund; and

Whereas, The City of Milwaukee ("City") has an ongoing commitment to the revitalization of commercial districts in central city neighborhoods; and

Whereas, On November 6, 2002, the Common Council of the City of Milwaukee created Business Improvement District No. 29 ("BID No. 29") for the Atkinson/ Capitol/Teutonia commercial district via File No. 020831 and approved its first year Operating Plan; and

Whereas, BID No. 29 has worked collectively with area business owners to market and promote the commercial district; and

Whereas, The proposed public way improvements will include extensive landscaping, commercial district signage, specialty paving and other commercial district enhancements that will greatly improve the Atkinson/Capitol/Teutonia commercial district; and

Whereas, The State of Wisconsin Department of Transportation has indentified project funds, which exceed the amount of City funds for this project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the City Comptroller is directed to transfer the sum of \$21,000 from the Development Fund Parent Account No. 9990-UR03308000A to Account No. 1910-UR03398400 for the streetscape work described above; and, be it

Further Resolved, That the City Comptroller, in conjunction with the Commissioner of the Department of City Development, is directed to establish any and all subaccounts in accord with generally accepted accounting practices and the City guidelines necessary to maintain the fiscal control to carry out the intent and purpose of this resolution; and, be it

Further Resolved, That the Commissioner of the Department of City Development is directed to enter into all contracts and agreements, as necessary, to carry out all project activities; and, be it

Further Resolved, That all City officials, departments, boards, agencies and commissions are directed to assist and cooperate on this project.
