Project/Program Title: HS WEM / STAC Public Health Intelligence Threat Analyst Grant (2019-HSW-40-11947)

Grantor Agency: U.S. Department of Justice via State of Wisconsin, Department of Military Affairs (DMA)

Grant Application Date: June 15, 2020

Anticipated Award Date: June 15, 2020

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The purpose of this grant is to fund the contracted services of a Medical Threat Intelligence Analyst who will work with the Southeastern WI Threat Analysis Center (STAC), Southeast WI Healthcare Emergency Readiness Coalition (HERC), public health, healthcare, and emergency management partners to provide real-time tactical, operational, and strategic medical information to regional and state stakeholders.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

It is the mission of the department to decrease injuries and/or fatalities by utilizing the STAC, which will act as an information and intelligence sharing hub for law enforcement and emergency response agencies, as well as, the private sector.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

Fund the contracted services of a Medical Threat Intelligence Analyst within the STAC along with training and supplies related to the analyst's duties.

4. Results Measurement/Progress Report (Applies only to Programs):

Progress and financial reports must be submitted to the Egrants system monthly.

5. Grant Period, Timetable and Program Phase-out Plan:

July 1, 2020 – June 30, 2021

6. Provide a List of Sub-grantees:

N/A
