Subject: BID #4 - Re License for 837 W. Historic Mitchell

Alderman Perez,

Re the Food Dealer License Renewal Application for "Milwaukee Unified Soul, Inc." which is on today's License Committee Meeting at 1:35 pm:

Just to inform you that I've left 3 voice messages for the owner of the business, Andrell D. Howard, re his future plans for the business. This past summer, we had several issues where Mr. Howard had rented out the premises for private parties through an event business. In one case, we contacted a DNS inspector who promptly arrived and contacted D2, who also arrived promptly.

The issue was people waiting on the Street to get into the space, and if alcohol was legally being sold or served, and if the owner had the proper license for an event facility.

I don't believe the restaurant has been operating in the past couple of months, and I have no further updates as the owner hasn't returned my calls.
