Change in Previously Approved Grant

Previous Council File No.

Project Title: Milwaukee Breast and Cervical Cancer Awareness Grant

Grantor Agency: Wisconsin Department of Health Services, Division of Public Health

Grant Application Date: N/A - Continuing

Anticipated Award Date: July 2022

Please provide the following information:

1. Description of Grant Program/Project (Include Target Locations and Populations):

These grant funds will be used to continue the scope of the Wisconsin Well Women's Cancer Control Program for its current focus of breast and cervical cancer screening. The Well Women Screening Program provides screening, diagnostic services, and case management to low-income women 35-64 years of age including referral to existing primary care providers.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This grant would enable the Milwaukee Breast and Cervical Cancer Program and other programs in the division to work collaboratively with new and existing community providers. Additional partnerships with existing community providers will be enhanced and established to assure access to health promotion/risk reduction services.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

These grant funds are needed to strengthen, enhance and expand our current program and services provided. These services include breast and cervical cancer screening and cardiovascular risk reduction.

4. Results Measurement/Progress Report (Applies only to Programs):

Results will be measured through our client data collection system and the required state reporting mechanisms that is specific to this grant. Reporting forms are required to be completed by all providers who provide breast and cervical cancer screening. These reporting forms are entered into the State system, Forward Health Portal, which documents the services provided. In 2021, MBCCAP provided 1,121 unduplicated breast and cervical cancer screenings as reported by the Wisconsin Well Woman Program.

5. Grant Period, Timetable and Program Phase-out Plan:

The grant period is July 1, 2022 through June 30, 2023

This grant funds positions and services vital to the operation of the breast cancer program.

6. Provide a List of Subgrantees:

Consortium for Hmong Health

7. If Possible, Complete Grant Budget Form and Attach to Back.
