Mr. Tony Zielinski, Council Administration Manager
City Hall, Room 205

RE: Title-only resolution authorizing compromise of *in personam* judgment

Dear Mr. Zielinski:

Could you please schedule a title-only resolution for introduction at the next Council meeting (September 4th). The title is: Resolution approving and authorizing stipulation with United Apostolic Church of God, Inc. ("United") concerning in personam liability for 1992-2000 taxes against 2516 West Hopkins.

I am waiting for materials from the Kohn Law Firm to use to fill the file; and, I'll try to fill it as soon as possible prior to Jud-Leg's September 16th meeting. I'm e-mailing a copy of this letter to Debbie Fowler as well.

Thank you very much. Please call if you have questions or comments.

Sincerely,

GRANT F. LANGLEY
City Attorney
