3. Pursuant to Chapters 68, 82, 84, and 85 of the Milwaukee Code of Ordinances, the matter was referred to the Milwaukee Police Department for investigation. On December 29, 2022, the Milwaukee Police Department responded with a report that could form the basis for nonrenewal of said license.
4. On January 11, 2023, the City Clerk's Office provided timely notice to the Licensee pursuant to Chapters 85, 90, and 108 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the police report. The victim, who was highly intoxicated became uncooperative and refused medical or police service. Officers interviewed the manager, who stated he didn't know what happened and does have working security cameras, however, they would not have captured the incident in the area it occurred. Management was cooperative and security did make an attempt to break up the fight.

- U. Alderman Perez said that this item has more to do with his patron being hurt and the lack of cooperation of his business.
- V. Attorney Huddleston said that they are requesting the renewal without a suspension and that the Licensee is taking it very seriously. She added that her client is taking extra precautions like to wand and id every single person and using only one door to have a better control of the flow as well. - W. Alderman Chambers moved renewal with a 20-day suspension based upon the preponderance of the evidence in the police report that demonstrates the operation results in a threat to health, safety or welfare of the public. There were no objections. (Prevailed 4-0-1)
