Deborah --

On behalf of Royce and I, thank you for providing us with a copy of your recent letter to Patricia Balon. As you know, we are standing by our Memorandum of Understanding which supports the proposed New Land Enterprises LLC project involving the Goll Mansion. We are pleased that you are inviting a broader scope of discussion with the Historic Preservation Commission because we believe they play an important role in the review of all projects impacting historic properties in Milwaukee.

Sincerely,  
Genell Scheurell
