MARK A. RAMION

File # 040376 is a resolution relative to application for the Steps to a Healthier US Grant.

Background

1. This resolution authorizes the Milwaukee Health Department (MHD) to apply for the Steps to a Healthier Grant project from the U.S. Department of Health and Human Services.
2. This resolution is *application only* for a new grant.

Discussion

1. The purpose of this project is to identify adolescent obesity by working with schools and neighborhoods to develop best practice fitness and nutrition programs for youth.
2. Upon award, this grant is anticipated to encompass a twelve-month period for the purpose of planning. Although this initial application is for the first year of funding, a five-year program is envisioned.

Fiscal Impact

1. There is no fiscal impact as this file is for application only. A grant budget will be submitted to the Common Council for approval upon award of this grant.
2. The Health Department is making application for approximately \$1 million for the first year of program planning and development. Application for funding guarantees neither the award nor the final award amount.
