CITY CLERK

To whom it may concern,

C.I. File # 03-S-500.

This is in regards to your denying my \$176.00 claim. Yes, I am appealing it, what would make me think any different that your department would of approved my claim. Well your giving me a crash course on what it says on the permit application. Well, you'd think seeing the city of milw prints these permits out, the police Dept would know about it & would be able to help people who aren't familiar. But, of course instead of helping a person, they take their money. Yes, yes, I want to appeal this, this is an injustice to the Disabled.
