To the Honorable, the Common Council

Dear Council Members:

Attached please find a resolution which will combine two existing special privileges for the items in the public right-of-way that were previously granted permission under Common Council Resolution File Numbers 66-2767 and 020284.

Bostco, LLC petitioned for a special privilege amending the special privilege granted under Common Council Resolution File Number 54-2192-a for change of ownership for various items previously granted permission and for permission for additional items to encroach into the public right-of-way. Common Council Resolution File Number 020284, which has been adopted, granted permission for the additional items to encroach into the public right-of-way, however, due to clerical error; it did not change the owner of the items granted permission under Common Council Resolution File Number 66-2767 that are still encroaching into the public right-of-way.

The attached resolution will combine both special privileges that were granted under Common Council Resolution File Numbers 66-2767 and 020284. By combining these special privileges, not only will the owner name be correct for the items granted permission under Common Council Resolution File Number 66-2767, but efficient future management of the special privileges will be possible.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes, P.E.
Commissioner of Public Works

Martin G. Collins
Commissioner
Department of Neighborhood Services

Attachment.
