

November 6, 2003

To the Honorable
Common Council

Subject: 2003 Congestion Mitigation Air Quality Project
Infrastructure Services Division
New Traffic Signal Interconnect Cable Installation
At Various Locations

Dear Council Members:

Attached is a resolution pertaining to the installation of new traffic signal interconnect cable for various portions of the City's traffic signal control system. Funding for the installation of this traffic signal interconnect cable installation is provided by the 2003 Congestion Mitigation Air Quality Project.

Respectfully submitted,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
