The Agent stated as long as the scanner came back green, they assumed the ID was good. The licenses were found to be in a folder and not posted in a visible manner. The capacity for the establishment was 99, however, the Agent stated they believed they had no more than 100 patrons. The officer advised them of their count, to which the Agent stated they had no idea there were that many patrons and did not have a clicker at the front door. The Agent was cited for the following violations: Allow Underage on Premise-Dismissed (Citation# 0681L9CGMM) License Establishment Exceed Occupancy – Found Guilty and fined \$3210.00 (Citation # 0681KX84GO)

Officers made an announcement that if you were under 21 you needed to leave the bar. At that time approximately 95% of the patrons exited. An interview of a few patrons revealed they were not 21. The Agent was on scene and stated they utilize the scanner to detect fake ID's and had confiscated 19 ID's that night. The officer asked the Agent to explain the majority of the bar being underage, to which they stated they cannot catch them all. The officer further noted they have issued citations on multiple occasions to underage patrons at the bar and this has been an ongoing problem. The Agent was issued a citation for Allow Consumption of Alcohol by Underage-Dismissed without Prejudice (Citation #J981NNZLZB) and Allow Underage on Premises-Dismissed without Prejudice (Citation #J981NNZLZC).

LICENSED PREMISE REPORT

Silkey, Justin M 029822

02/27/2025

This report is being written by PO Justin M. SILKEY, assigned to Milwaukee Police Department District 1, Late Power Shift, Squad 1460. On Wednesday, February 26th, 2025, at approximately 10:06PM, while in full duty uniform equipped with a Axon body worn camera activated and in a marked squad. I was dispatched to a Trouble with Juvenile located at 2859 N Oakland Ave #1, which is located in the City and County of Milwaukee.

Prior to my arrival P.O. Christian GARRIDO, stood at the front eastern facing door and counted out loud the number of people who exited the bar. P.O. GARRIDO had his Axon body camera activated while he did this. P.O. GARRIDO, counted 110 people who exited Axes bar. When Sgt. MAXCEY arrived, he had Officers go to the other exits to make sure no one entered the tavern via a different door. There is a large fence in the back western alleyway behind the bar so no one can enter the rear door without climbing a ten foot fence.

Upon *my* arrival I observed a large group of males and females leaving Axles establishment with a sense of urgency upon officers' arrival. The large group of males and females were attempting to the exit the establishment from the back door and side door when officers arrived. The remaining people inside the establishment were all asked to show some form of identification to show that they were of legal age to consume alcohol. Most of the people that the officers stopped to check identification either did not have any identification on them or had a fake identification card from another State on them.

I conducted a check of identification cards myself and used a UV Blacklight that I have and found that all the identifications cards were fakes. Some of the people that we questioned admitted that they did not have an identification card on them or that it was a fake identification card. Some of the other individuals admitted that they flushed theirs down the toilet upon our arrival or that the bar staff never even checked or asked for their identification

cards.

I spoke to licensed premise manager and owner later identified as Eric A RASMUSSEN (M/W 3-14-70). RASMUSSEN stated they have an identification card scanner and provided it to us to show that he scanned roughly 150 patrons' identification cards. RASMUSSEN stated that if the card was fake or expired that it would show the color red or yellow. RASMUSSEN stated that a red or yellow indicator tells him that the card is either fake or expired and he would deny them entry to his establishment and take the identification card from them. RASSUMEN showed me the fake identification cards he took from people tonight that came back as red on the scanner stated it was a fake identification card.

I showed RASSUMEN the UV blacklight that I used and showed him identification cards that were scanned by him and showed what was fake about them. RASSUMEN stated he had no idea that it was fake. RASSUMEN stated the scanner came back green and he thought it was good. I told RASSUMEN that I conduct a DOT check on the identification cards and that not one of them came back to a legal age or never came back to a person at all.

I asked to see RASSUMEN license which was posted on the wall but did not have the current one inside the frame. The new license was inside a folder under the cash register. I noticed on the license that the establishment was only aloud

to have 99 occupants inside the bar. I asked RASSUMEN how many patrons he had inside the establishment, and he thought no more than 100 patrons. RASSUMEN had no clicker at the front door and could not provide an accurate number to me. I told him upon our arrival that he had well over 100 people inside the establishment and that 1 officer had counted at least 110 people that walked out the front door one by one. RASSUMEN stated he had no idea there was that many people inside the establishment. RASSUMEN was *cooperative* with the investigation. The business had one security officer on scene. They were unarmed.

While on scene, I observed the licenses posted and they were up to date. During my investigation for trouble with juvenile I did observe several violations in the licensed premise. The violations were Ordnance 90-19-2-A-1 which is Allow Underage on Premises and Ordnance 85-23-4-A which is Licensed establishment exceeding occupy limit. There were 2 citations written for those violations which were #0681L9CGMM and #0681KX84G0. We also gave out 10 citations for Ordnance 90-18-3 Misrepresenting Age to Receive Alcohol. Those Citations numbers were #0681JXM80X, M582HQT5JQ, M582HQT5JR, M582HQT5JS, M582HQT5JT, M582HQT5JV, 0681L9CGMH, 0681L9CGMJ, 0681L9CGMK, and J981GK13G3. One citation was also issued for Resisting/obstructing an Officer.

The citations were delivered on Wednesday March 5th at 10:25PM and handed to the owner Eric A Rasmussen (M/W 3-14-70).

The business plans to buy a UV Blacklight to find the fake identification cards and to eliminate nuisance activity.

LICENSED PREMISE REPORT

Michalak, Richard D 019738

05/12/2025

This report is written by P.O. Richard MICHALAK, assigned to District One, Late Power.

On Thursday, May 8th, 2025 at approximately 11:00 P.M., P.O. SILKEY and I (SQD 1420) along with Sgt. MAXCEY (SQD 1411) were dispatched to Axle's Inn located 2859 N. Oakland Ave., for an underage drinking complaint.

On arrival, I observed several individuals standing outside the main entrance that looked under the age of twenty-one. I entered the bar and observed that it was probably at max capacity and the individuals looked very young. As I walked through the bar I talked to one individual and he stated he was not twenty-one and was actually nineteen. I walked through the entire bar, verbally made an announcement that if you were not twenty-one you needed to leave the bar. At the time we only had three police officers, so it would of been impossible to stop all individuals to check their Id's. After I made the announcement, I would say 95% of the bar exited. My body worn camera was on the entire time and captured all the individuals leaving the bar. P.O. SILKEY had two individuals stopped at this point and both were under the age of twenty-one.

I spoke with Eric RASMUSSEN (W/M, 3-14-70) the owner of Axels Inn. RASMUSSEN stated that he has an ID scanner when individuals walk into his bar and it suppose to tell him whether or not it's a fake or good license. RASMUSSEN stated that night he had taken nineteen fake Identification cards. I asked RASMUSSEN how does he account for 95% of the crowd leaving his bar that were under the age of twenty-one? RASMUSSEN stated that he is trying and can not catch them all. It should be noted that RASMUSSEN had two other individuals checking ID's at the front door besides him.

Allowing under age individuals into Axel's has been an on going issue. We issued two tickets "for misrepresentation of age," to the two individuals. Both were under the age of twenty-one and both admitted to consuming alcohol. Citations were issued on scene.
