CITY CLERK'S OFFICE

June 24, 19

To whom it may concern,

I'm writing this because I wish to appeal the decision made on June 3, 2019. I will like to request a hearing regarding the accident. We didn't side swipe I was at a complete stop when the striking vehicle was coming my direction. I noticed her reckless driving and got out her way before she damaged my vehicle tearing off my bumper and causing more damages. It was noted in the police report it wasn't my fault. Any further questions please contact me at (608) 468-8818

Truly,

I was traveling southbound when a vehicle was approaching in the on coming lane. Instead of decelerating and/or passing with caution, the driver of the striking truck not only ignored the slippery road conditions but also the fact that I was stopped in my vehicle on the road in a tight space, by continuing to drive irresponsibly which led to my car getting struck. On 2/14/2019 at 12:44am by vehicle # 24313 located <sup>on</sup> 1234<sup>s</sup> 12<sup>th</sup>.
