Re: Request to place Garden Homes Historic District on ZND agenda

Dear Alderman Bohl:

On behalf of the Garden Homes Neighborhood Association, Inc., I request that you place the Garden Homes Historic District, file # 101274, on your next ZND meeting agenda.

The file was introduced by Alderman Ashanti Hamilton late summer 2011. It was placed "on hold" until Alderman Hamilton could conduct a neighborhood meeting of the historic district property owners. The meeting, conducted by Mr. Randy Bryant, was held during October 2011. Mr. Bryant was satisfied with the outcome.

Alderman Hamilton stated his approval of the historic designation. Mr. Bryant, Mr. Paul Jakobovich, and Alderman Kovac have told me over a staggered period of months they would speak to Alderman Hamilton to request his getting file # 101274 on the ZND agenda, to move this along.

As our window of opportunity to get our matter resolved is beginning to close, which once closed would require a two-year waiting period before we could re-apply for the designation, we ask you to step up and place our historic designation application already unanimously approved by the Historic Preservation Commission on the next ZND meeting agenda.

Best regards,

Joe Bova  
President
