Subject: Little Cancun

Hello Marina,

I'm reaching out to request your help in resolving an ongoing issue with a business at 3040 S Delaware Ave. Since Little Cancun changed from a restaurant to a sports bar, the residential part of the block has become far busier and noisier. Often, there will be very loud music audible from inside my house, patrons outside the bar yelling, patrons playing loud music on the street while in their cars, and patrons driving dangerously on the street. Many times, after a night of this loud noise, my neighbors and I will have to clean up the street and in the yard from the trash their patrons also leave behind.

I have contacted the non-emergency line for the Milwaukee Police Department, but often the yelling outside (sometimes sounding violent, sometimes sounding simply like a good time) and loud music will stop before anybody can come out. However, one person that I spoke to on the line did mention that they were familiar with the sports bar because of similar complaints. Regardless, as often as I report this issue, it seems the loud noises and disruption continues.

Because of my global role, there will be times that I am having to work at night and the disruption from this business down the block and across the street is an issue. When I have the opportunity to rest in the evening, it is simply hard to do so because of the loud bass and the music coming from their bar.

I'd love your help in solving the problem as my family enjoys living here and intends to continue doing so. When we moved here six years ago, there was no bar on our block and the businesses in that building have been respectful of the neighborhood.

Please let me know if you'd like to discuss further or what will be done to resolve this matter.

Take care!

of the apartment building at i can't hear her tv most nights due to the noise outside that is coming from here. I told her that I would reach out to the business owner to clarify what is and is not acceptable here, and if we cannot gain compliance then will need to make changes to the outdoors part of their license.

Jim, are they allowed outdoor music in their license? And no outside music after ten regardless, correct? I want to make sure I am clear on what they are allowed to do and what they may not do when I speak to the operator.
