To the Public Works Committee

Subject: Common Council Resolution File Numbers 051434, 051522, & 051597

Dear Honorable Members:

Returned herewith are Common Council Resolution Files 051434, 051522 and 051597, being amendments to special privileges for change of ownership of various items encroaching in the public right-of-way that were previously granted permission.

Common Council Resolution File Number 051434 changes the owner to Green Fields Trading Company, Inc. for two covered walks for the premises at 1800 North Farwell Avenue. Permission for the two covered walks was granted in 2003 under Common Council Resolution File Number 021089.

Common Council Resolution File Number 051522 changes the owner to 735 W Wisconsin Avenue, LLC for two groundwater monitoring wells for the premises at 625 North James Lovell Street. Permission for the two monitoring wells was granted in 2005 under Common Council Resolution File Number 031294.

Common Council Resolution File Number 051597 changes the owner to M&I Marshall & Ilsley Bank for a tunnel under an alley for the premises at 770 North Water Street. Permission for said tunnel was originally granted under Common Council File Number 64-851-i.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

Martin G. Collins  
Commissioner  
Department of Neighborhood Services
