Subject: Administrative Corrections for Salary Ordinance

Importance: High

Hi Terry,

As I have spoke to you over the last several days regarding corrections to the Department of Neighborhood Services report approved on July 31, 2007 by the Finance Committee in File No. #070397, there were several salary changes for various positions inadvertently omitted. Please amend the Salary Ordinance effective as of August 26, 2007 (P.P. 18) as follows:

Under Salary Grade 008, delete the title "Plumbing Inspection Supervisor" and "Electrical Inspection Supervisor".

Under Salary Grade 006, add the title "Network Services Coordinator-SR"

Thanks
