

## Student Brag Sheet

"You're going to be doing things and you are going to be scared. It's natural. Everybody is. And when that happens, and it's going to happen more than once, do me a favor: go back to the days of your childhood, go in the 100 Acre Wood, take a deep breath and just say, "I'm stronger than I seem, I'm braver than I believe, and I'm smarter than I think." And then go do it, that's what it is." – James Carville
