There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report submitted by P.O. Thomas Kline, District One, Community Liaison Officer.

On Friday, February 02, 2018, I, P.O. Kline, met with Marla R Poytinger, who is the owner and agent of Axe Mke, regarding a crime prevention survey tavern inspection.

I do have a concern regarding how many employees will be onsite to make sure no one leaves with an axe. We also discussed making sure all throwing areas will have security cameras, along with the exits and cash stations. Marla stated they don't have an exact number of "Axe Masters" that will be onsite yet while patrons are throwing. Marla's husband was present and assisted with answering some of the questions. He was identified as David J Poytinger, W/M, 07/12/1982. Marla was able to provide me with the guidelines and safety procedures for the tavern, which I have enclosed.

AXE MKE

Facility & Equipment Guidelines and Safety Procedures as of 2/1/2018

OVERVIEW

AXE MKE will follow the facility/equipment guidelines and safety procedures set forth by the National Axe Throwing Federation (NATF). These standards, along with additional safety and coaching procedures developed by AXE MKE leadership, will govern the axe throwing experience.

FACILITY & EQUIPMENT GUIDELINES

FACILITY GUIDELINES

A. GENERAL

1. All throwing areas will be separated from spectator areas with floor lines, chain-link fences, and walls where appropriate.
2. Chain-link fences and padded mats will be used to prevent the axe from ricocheting outside of the throwing lanes.
3. Vertical partitions (11 feet high) will separate each throwing lane.
4. Every section of throwing lanes will have a fully-stocked first aid kit.

B. THROWING LINES:

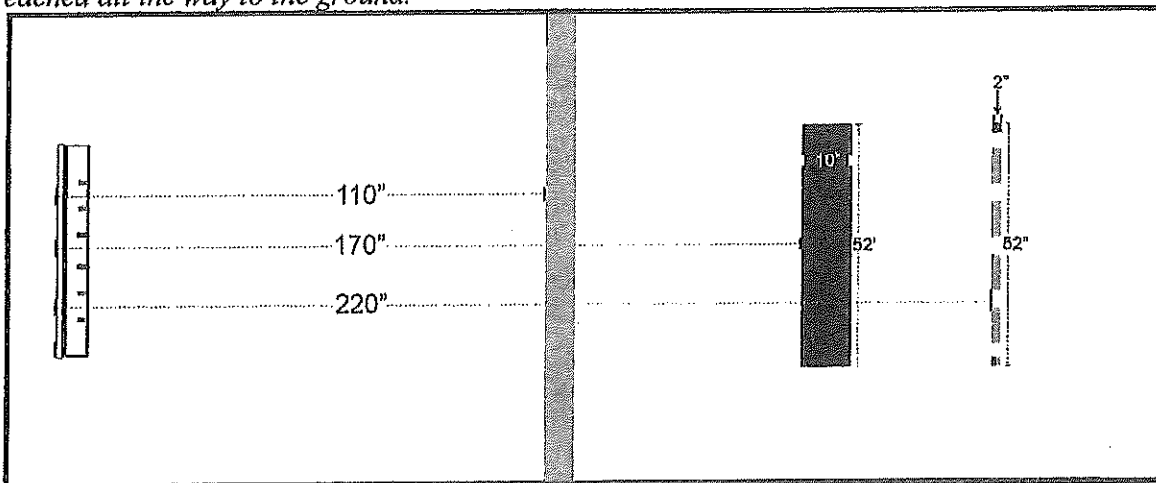

1. The solid red fault line:
 - o The red line serves as a safety mechanism to ensure players remain a minimum distance from target while throwing.
 - o The front of the red line is measured 110" from the back of the plywood backboard, as if the backboard reached all the way to the ground.
 - o The fault line must be a minimum of 6" thick to be clearly visible to throwers.
2. The solid black standard throwing line:
 - o The black line indicates where the players will stand when they are actively throwing axes.
 - o When a thrower prepares for his or her throw, his or her back foot must begin completely behind the black line.
 - o The front of the black line is measured 170" from the back of the plywood backboard, as if the backboard reached all the way to the ground.
 - o The black line must be painted 10" thick and 52" in length from left to right.

3. The dashed blue line:
 - o The blue line indicates the safety zone for Axe Masters. All Axe Masters and venue employees must stay behind this line when players are actively throwing.

4. The solid yellow perimeter line:
 - o The yellow line indicates the start of the safety zone for spectators.
 - o Only one individual per lane (the person throwing), and the Axe Master, may cross the yellow line.
 - o This line will be 240" from the target.

Throwing Lines Diagram:

This diagram represents a bird's eye view of a single axe throwing lane, with all the lines painted on the ground. All measurements are taken from the back of the plywood backboard as if it reached all the way to the ground.

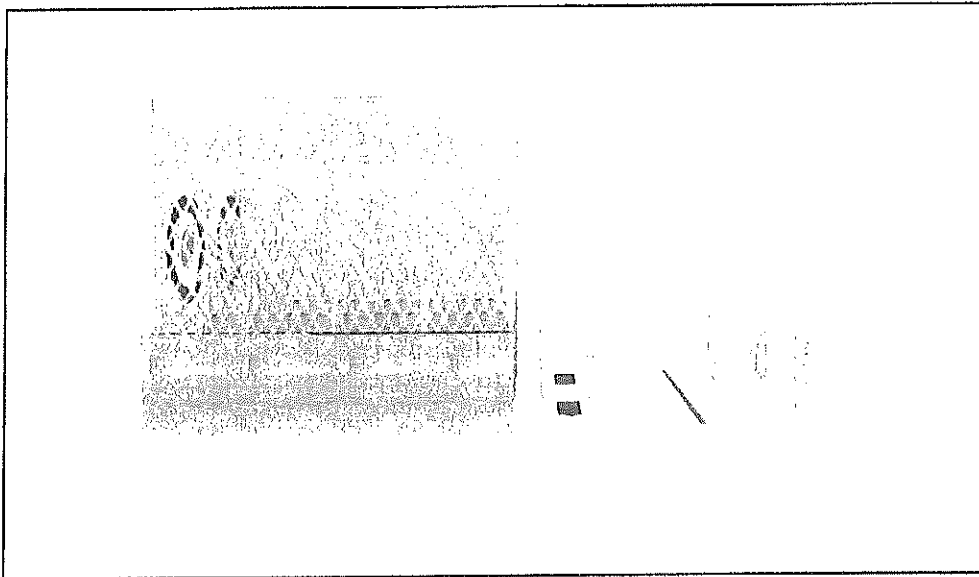

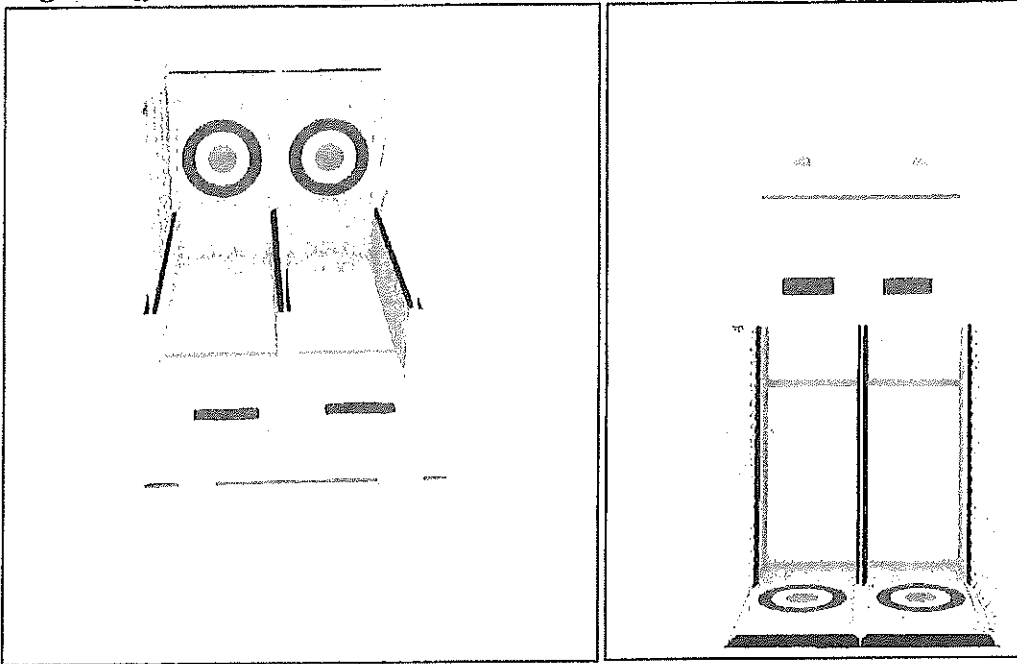

C. LANE CONSTRUCTION:

1. Lanes will be constructed individually, with a combination of wood and chain link fencing separating each lane.
2. Partitions will be a minimum of 11 feet tall and will extend horizontally from the target wall to the point at which the thrower releases the axe (12 feet from the target).
3. A counter-height table will be constructed above the yellow line to physically separate the spectators from the thrower.
4. An axe "holding box" will be constructed near the black line. After throwing, the thrower will place the axe in the holding box blade down, for the next thrower to retrieve.

Lane Construction Diagram:

These diagrams offer 3D renderings of two adjacent lanes, shown from various vantage points.

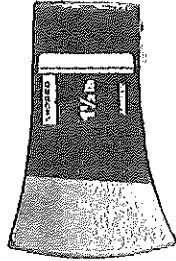

EQUIPMENT GUIDELINES

A standard throwing axe has the following requirements:

1. The axe head must weigh between 1.25 and 1.75 pounds.

2. The handle must be wood.
3. The length must be at least 13 inches long including the handle in the eye of the blade.
4. The face (blade) of the axe must be no longer than 4 inches.

SAFETY PROCEDURES

STAFF REQUIREMENTS

1. Managers must have a current Class D Manager's License from the City of Milwaukee.
2. All staff must hold a current Responsible Beverage Server's Certificate valid in the State of Wisconsin.
3. All staff will be trained on response processes in case of injury, and be familiar with accident/incident reporting.
4. Axe Masters must complete their training, including job shadowing, prior to coaching any customers on their own. Owners and GM must sign off on their training before it is considered complete.
5. Axe Masters will only be allowed to demonstrate the throwing technique, and will not be allowed to throw any axes themselves. This enables Axe Masters to focus on observation of participants, and eliminates potential injury from excessive throwing. Throwing is not required to teach participants proper technique. Axe Master axes will be specially marked and have a very dull edge.

PRE-THROWING VISUAL INSPECTION

Prior to opening each day, Managers will complete the visual inspection. Axe Masters will complete the inspection in between each set of customers.

1. Target Inspection
 - Replace wood as needed
 - Check backboards and sub-frame for damage
2. Cages
 - No holes, gaps, or breaks in the chain-link
3. Axes
 - Heads are tight
 - Handles are not splintered or weakened
 - Edges are sharp enough to stick, but not enough to cut skin with a light touch

CUSTOMER SAFETY

1. All participants must be at least 16 years old. Minors (ages 16-18) must be accompanied by an adult.
2. All participants must have closed-toed shoes.
3. All participants must sign a liability waiver prior to check-in.
4. Prior to throwing, every participant will receive a safety orientation and technique demonstration from an Axe Master, which will include the following:
 - a. Overview of safety procedures and lane markings
 - b. Throwing postures and techniques
 - i. Overhead two-handed
 - ii. Overhead one-handed
 - c. Axe retrieval and handoff procedures
 - d. Observation of first throws
5. After the initial orientation, Axe Masters will continue to answer questions, give technique corrections, and provide general oversight throughout the duration of the experience. As discussed above, Axe Masters will not throw any axes.

AXE SAFETY

1. General Safety
 1. Only one axe per lane will be provided (in addition to the Axe Masters' demonstration axes).
 2. Axe must be in the holding box whenever not actively used.
 3. Only one player per target will be permitted beyond the yellow line.
 4. Players cannot approach the target until the axe is either safely in the target or on the ground.
 5. No outside axes will be permitted in the venue.
 6. Sound isolating devices like headphones or earplugs will not be permitted.
2. Handling the axe
 1. Be aware of your surroundings and keep the axe blade close to you while moving.
 2. Do not gesture with the axe or use it for any reason other than for demonstration purposes (Axe Masters) or sanctioned throwing (participants).
 3. When retrieving the axe from the target, grab it by the handle as far away from the head as possible, in order to get the most leverage, and slowly wiggle it out of the wood.
3. Sharpening
 1. Use an angle grinder for basic sharpening.
 2. Clamp the axe to a solid sharpening surface.
 3. Always wear safety glasses.
 4. Do not put the grinder down until the wheel has completely stopped moving.
 5. Use a file for fine tuning, only push forward with the file on blade.

Class B Tavern and Public Entertainment Premises License Applications Requesting Axe Lanes

Tuesday, March 06, 2018 at 9:30 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 3/6/2018 at 9:30 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

This report is written by Police Officer David NOVAK, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 11/26/09 at 12:08 am, Milwaukee police were dispatched to Oakland and Locust for a Shots Fired complaint. Officers received an update from the dispatcher advising them that the shots were fired from inside the Miramar Theatre. Investigation found that a fight took place inside the Miramar with a woman being punched in the face. The subject who fired the shots was the battery victims' brother and was not a patron at the theatre this night. Neither the battery victim nor the suspect who fired the shots was on scene when police arrived. No injuries were reported and officers did recover two casings from the theatre. Video of the incident was capture and a copy was given to police.

- Applicant has an unpaid traffic citation that was due on 04/29/09 in the amount of \$83.80. (09048568)

2. On 03/14/10 at 8:26 pm, Milwaukee police were dispatched to 1600 S 11th Street to a Shots Fired complaint. Investigation revealed no shots were fired but that a large fight took place inside the Modjeska Theatre located at 1134 W Mitchell Street. Responding officers found a large group of disorderly patrons in the street obstructing traffic. Officers spoke with William Stace who advised police that the Modjeska was hosting a "Talent Show" similar to that of Showtime at the Apollo. Several performers were "booed" off the stage and that this caused a confrontation between the performers and the patrons. The performers were escorted out of the building by security and once outside the establishment, the performers began breaking plate glass windows of the Modjeska and surrounding businesses.

Stace stated he believed there to be approximately 500 patrons at the event. As police continued to speak with Stace, more fights continued outside. More squads responded until the crowds were dispersed. Three subjects were arrested and charged with damage to property. Stace was cited for disorderly conduct by patrons. A check with municipal court system could not locate this citation.

=====

3. On 03/24/2013 at 3:51am Milwaukee police were dispatched to a tavern violation at 2844 North Oakland Avenue (Miramar Theater). Officers discovered that 61 patrons were still at the business. Several of these patrons were juveniles and were cited for Curfew violations. The applicant was cited for Public Entertainment Premises-License Required.

4. On 10/28/2016 Milwaukee police were flagged down for a trouble with a subject wearing no clothes at 2830 North Oakland Avenue. Officers observed a subject with no clothes on, later identified as Corey Bishop, in the middle of the road in front of the Goodwill Store at 2830 North Oakland Avenue. Officers then spoke to Ryne Kempen who identified himself as Bishop's friend. Kempen told officers that he and Bishop had been at The Miramar Theatre (2844 North Oakland Avenue) when an unknown subject gave Bishop a gummy bear laced with acid or LSD. Bishop then began behaving aggressively and was escorted from the business by security. Bishop then removed his clothes and ran into the street. Officers then spoke to the bartender at the business who stated he recalled Bishop yelling and screaming inside the bar and he had been escorted out by security. Bishop was conveyed to St. Mary's Hospital. Milwaukee police incident report #163020017 filed.

5. On 02/10/2018 officers responded to The Miramar Theatre for a possible tavern violation. The officer spoke with Aaron OHLSSON who stated for the past 7 years he has run the business for William STACE, who holds the license. OHLSSON stated that STACE fell behind in the rent so he took over paying the rent, and eventually took over the lease after STACE was evicted. OHLSSON stated he did not have a B Managers license. The two subjects who stated they were bartenders did not have Operators licenses. OHLSSON was advised he could not serve alcohol without a licensed bartender on scene. The officer spoke with STACE by phone. He stated he fell behind in the rent and was evicted in July 2017. He stated he removed his occupancy but did not remove the other licenses. STACE stated OHLSSON was operating under his license without permission. On 02/11/2018 officers conducted another tavern check at The Miramar. OHLSSON was on scene and stated he was responsible for another event. There was a licensed bartender on scene. STACE and OHLSSON were cited for Collusive agreement and STACE was cited for responsible Person on Premises.

6. On 02/16/2018 an officer responded to The Miramar Theater, 2844 N. Oakland Av, for a tavern check. This check was based on several phone conversations with Attorney David HALBROOKS, who represents William STACE, the agent of The Miramar. HALBROOKS was advised to turn in the liquor license if he wanted the business closed down. When the officer arrived at 10:00pm he spoke with Aaron OHLSSON, who runs the theater but the license is in STACE's name. At 11:50pm the officers returned to do a count of patrons at the sold out show. The officers were positioned at all points of entry/exit and a count was performed as the patrons exited. The total count was 465 and the DNS capacity is 327, leaving the theatre 138 over capacity. OHLSSON did know his capacity but stated he thought he was allowed to include the capacity of the adjoining tavern (Stage Right). Officers will be requesting a meeting with STACE and HALBROOKS at which time STACE will be issued a citation for over capacity.

PA-33E Narrative

On Friday, February 16, 2018 at approximately 9:00 p.m., I responded to 2844 N Oakland Ave (The Miramar Theater) to investigate a possible tavern violation, per Sergeant Thomas ACKLEY's directive. Before responding, Sergeant Thomas ACKLEY advised me of the following information. The agent, William STACE, is represented by Attorney David HALBROOKS. Sergeant ACKLEY advised me that he has had several conversations with David HALBROOKS regarding Miramar Theater throughout the past week. Sergeant ACKLEY spoke with David HALBROOKS on Thursday, February 15, 2018. Sergeant ACKLEY advised HALBROOKS that if he wanted the business not to operate, STACE could either surrender the liquor license or get a temporary restraining order with Aaron OHLSSON listed as the respondent. From what Sergeant ACKLEY understands, David HALBROOKS had multiple conversations with City of Milwaukee ACA Nick DESIATO, who stated the same thing; if HALBROOKS and STACE did not want OHLSSON to be operating the business, they could surrender the liquor license or get a temporary restraining order. From the time that Sergeant ACKLEY spoke with David HALBROOKS on the phone Thursday night to the time I conducted the following tavern investigation, the two could have gotten a temporary restraining order during the day on Friday, February 16.

Upon arrival on Friday 16, 2018, at about 10:00 pm, I spoke to Aaron R. OHLSSON (W/M 1/3/1990). OHLSSON stated that he operates the theater and the events at the theater OHLSSON stated that the Class B Tavern license is through William J STACE (W/M 4/13/1954). OHLSSON stated that he was having a show tonight and that he had a licensed bartender on scene Daniel R. GRABOWSKI (W/M 12/22/1985) Bartenders license# 0226099. While on scene, I also cited Christopher P. RICCI (W/M 4/10/1998) for the violation of bartending without a license at the same location on 2/10/2018.

At approximately 11:50 pm on the above listed date Squad 1460 (P.O. BOGUST and I) Squad 1430 (P.O. FRANK) and Squad 1431 (P.O. DOMINE) were instructed to conduct a count of the patrons leaving the show that night. Upon entering the theatre, I was told that it was a sold out show and that it had been sold out for 3 weeks. OHLSSON stated that there is a list of people who purchased tickets and only those people would be allowed entry. I asked OHLSSON if he knew his capacity and he did but he believed he was allowed to add the capacity of the adjoining tavern (Stage Right) to his capacity. All squads on scene began counting at 1:00 a.m. all people in and out. We concluded the count at approximately 1:25 am. P.O. FRANK, who was posted at the rear door, had no people in or out. P.O. BOGUST, who was posted on the front southernmost door, label MIRAMAR Box Office, had no people in or out. P.O. DOMINE and I were at the triple front doors of the theater. I had instructed security guard to stand at the middle door to prevent people from exiting through that door. I counted the northernmost door, and P.O. DOMINE counted the southernmost door in the triple door configuration. I had a count of 171 persons, and P.O. DOMINE had a count of 280 persons. Following the patrons exiting, I spoke to OHLSSON and he stated that he had eight people working for him and that the band had five members. The final count of person inside was 465 including OHLSSON, and the Theatre had a DNS total listed capacity of the 327 leaving the theatre 138 people over capacity. My body worn camera was activated during the time I was counting the patrons leaving.

At the time this report is being submitted, there have been no citations issued for the capacity violation. Representatives of the Milwaukee Police Department will be reaching out to William STACE and David HALBROOKS to request a meeting at District One with the District One Commander, Captain Diana ROWE. William STACE will be issued citation # 6160427-0 for over capacity during that meeting.

P.O. BOGUST preformed a tavern check at the Miramar on both Saturday, February 17, 2018 and Sunday, February 18, 2018 and the Theatre was open for events and Aaron R. OHLSSON was running the events and the bar was being tended by Daniel R. GRABOWSKI (W/M 12/22/1985) Class D license #0226099.

PA-33E Narrative

On Friday, February 10, 2018 at approximately 9:00 p.m. I responded to 2844 N Oakland Ave (The Miramar Theater) to investigate a possible tavern violation. William STACE'S attorney David HALBROOKS had called to request that we either shut the tavern down or prevent any customers from entering. Upon arrival I spoke to Aaron R. OHLSSON (W/M 1/3/1990). OHLSSON stated that he operates the theater and the events at the theater OHLSSON stated that the Class B Tavern license is through William J STACE (W/M 4/13/1954). OHLSSON stated that STACE has had him operate the business for the last seven year and he was never present at the theater. OHLSSON stated that STACE began to fall behind on rent and he took over paying the rent, and eventually STACE was evicted and OHLSSON became the lease holder. OHLSSON stated that he had applied for a new Class B Tavern license in his name but as of the date and time that I was speaking to him he was operating under STACE'S License. While on scene I observed a female and a male behind the bar acting as what appeared to be bartenders. I asked OHLSSON if he had his manager's license to which he stated that he did not. The female behind the bar Keana H. OMDOLL (W/F 11/25/1995) stated she was bartending but did not have a license, but she had not served any alcohol yet that evening. The male behind Christopher P. RICCI (W/M 1/14/1992) stated he was bartending as well and did not have a license either. RICCI state that he had served one Lake Front IPA so far that evening. I instructed OHLSSON that before any alcohol was served he needed to have licensed bartender respond to serve. OHLSSON later confirmed licensed persons responded to serve by texting Sgt. ACKLEY later with a picture of the bartenders Drivers Licenses and their valid City of Milwaukee bartending licenses. The new bartenders, who OHLSSON were working, were Taylor M. SATORIUS (W/M 3/25/84) and Kelly J. SCHMITZ (W/F 5/9/91).

Following speaking to OHLSSON I returned to my vehicle and placed a call to STACE. SATCE stated that he had been the operator of the MIRAMAR for the last 22 years. SATCE stated that approximately 7 years ago he sold the building but remained in the building operating the theater. STACE stated on July of 2017 he fell behind on the rent and was evicted from the building. STACE stated that he removed his occupancy permit from the building but never removed the other license from the building STACE that he was contacted approximately 2 months prior by a lawyer telling him he still had rights in the business. STACE stated that he never had his license rescinded, because he didn't think to. STACE stated that OHLSSON was operating under his tavern license without his permission.

On Saturday, February 11, 2018 at approximately 9:00 p.m. I conducted another tavern check. OHLSSON was on scene and stated that he was having another event which he was responsible for. I observed one male behind the bar and when asked he produced a valid City of Milwaukee Bartender's license.

At the time of this report being submitted, PO Ray BOGUST and I have attempted to contact STACE on three separate dates via phone and going to his home of record. Each time, PO BOGUST and I were unable to contact STACE. The citation for Collusive Agreement Prohibited will either mailed or handed to STACE'S attorney, David HALBROOKS.

(Last Name, First Name, MI)

This report is written by Police Officer David Novak, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 02/10/2018 officers responded to The Miramar Theatre for a possible tavern violation. The officer spoke with Aaron OHLSSON who stated for the past 7 years he has run the business for William STACE, who holds the license. OHLSSON stated that STACE fell behind in the rent so he took over paying the rent, and eventually took over the lease after STACE was evicted. OHLSSON stated he did not have a B Managers license. The two subjects who stated they were bartenders did not have Operators licenses. OHLSSON was advised he could not serve alcohol without a licensed bartender on scene. The officer spoke with STACE by phone. He stated he fell behind in the rent and was evicted in July 2017. He stated he removed his occupancy but did not remove the other licenses. STACE stated OHLSSON was operating under his license without permission. On 02/11/2018 officers conducted another tavern check at The Miramar. OHLSSON was on scene and stated he was responsible for another event. There was a licensed bartender on scene. STACE and OHLSSON were cited for Collusive agreement and STACE was cited for responsible Person on Premises.

Charge: Collusive Agreement Prohibited

Finding: court date 04/06/2018

Sentence:

Date:

Case: 6164266

2. On 02/16/2018 an officer responded to The Miramar Theater, 2844 N. Oakland Av, for a tavern check. This check was based on several phone conversations with Attorney David HALBROOKS, who represents William STACE, the agent of The Miramar. HALBROOKS was advised to turn in the liquor license if he wanted the business closed down. When the officer arrived at 10:00pm he spoke with Aaron OHLSSON, who runs the theater but the license is in STACE's name. At 11:50pm the officers returned to do a count of patrons at the sold out show. The officers were positioned at all points of entry/exit and a count was performed as the patrons exited. The total count was 465 and the DNS capacity is 327, leaving the theatre 138 over capacity. OHLSSON did know his capacity but stated he thought he was allowed to include the capacity of the adjoining tavern (Stage Right). Officers will be requesting a meeting with STACE and HALBROOKS at which time STACE will be issued a citation for over capacity.

On Friday, February 10, 2018 at approximately 9:00 p.m. I responded to 2844 N Oakland Ave (The Miramar Theater) to investigate a possible tavern violation. William STACE'S attorney David HALBROOKS had called to request that we either shut the tavern down or prevent any customers from entering. Upon arrival I spoke to Aaron R. OHLSSON (W/M 1/3/1990). OHLSSON stated that he operates the theater and the events at the theater OHLSSON stated that the Class B Tavern license is through William J STACE (W/M 4/13/1954). OHLSSON stated that STACE has had him operate the business for the last seven year and he was never present at the theater. OHLSSON stated that STACE began to fall behind on rent and he took over paying the rent, and eventually STACE was evicted and OHLSSON became the lease holder. OHLSSON stated that he had applied for a new Class B Tavern license in his name but as of the date and time that I was speaking to him he was operating under STACE'S License. While on scene I observed a female and a male behind the bar acting as what appeared to be bartenders. I asked OHLSSON if he had his manager's license to which he stated that he did not. The female behind the bar Keana H. OMDOLL (W/F 11/25/1995) stated she was bartending but did not have a license, but she had not served any alcohol yet that evening. The male behind Christopher P. RICCI (W/M 1/14/1992) stated he was bartending as well and did not have a license either. RICCI state that he had served one Lake Front IPA so far that evening. I instructed OHLSSON that before any alcohol was served he needed to have licensed bartender respond to serve. OHLSSON later confirmed licensed persons responded to serve by texting Sgt. ACKLEY later with a picture of the bartenders Drivers Licenses and their valid City of Milwaukee bartending licenses. The new bartenders, who OHLSSON were working, were Taylor M. SATORIUS (W/M 3/25/84) and Kelly J. SCHMITZ (W/F 5/9/91).

Following speaking to OHLSSON I returned to my vehicle and placed a call to STACE. STACE stated that he had been the operator of the MIRAMAR for the last 22 years. STACE stated that approximately 7 years ago he sold the building but remained in the building operating the theater. STACE stated on July of 2017 he fell behind on the rent and was evicted from the building. STACE stated that he removed his occupancy permit from the building but never removed the other license from the building STACE that he was contacted approximately 2 months prior by a lawyer telling him he still had rights in the business. STACE stated that he never had his license rescinded, because he didn't think to. STACE stated that OHLSSON was operating under his tavern license without his permission.

On Saturday, February 11, 2018 at approximately 9:00 p.m. I conducted another tavern check. OHLSSON was on scene and stated that he was having another event which he was responsible for. I observed one male behind the bar and when asked he produced a valid City of Milwaukee Bartender's license.

At the time of this report being submitted, PO Ray BOGUST and I have attempted to contact STACE on three separate dates via phone and going to his home of record. Each time, PO BOGUST and I were unable to contact STACE. The citation for Collusive Agreement Prohibited will either mailed or handed to STACE'S attorney, David HALBROOKS.

On Friday, February 16, 2018 at approximately 9:00 p.m., I responded to 2844 N Oakland Ave (The Miramar Theater) to investigate a possible tavern violation, per Sergeant Thomas ACKLEY's directive. Before responding, Sergeant Thomas ACKLEY advised me of the following information. The agent, William STACE, is represented by Attorney David HALBROOKS. Sergeant ACKLEY advised me that he has had several conversations with David HALBROOKS regarding Miramar Theater throughout the past week. Sergeant ACKLEY spoke with David HALBROOKS on Thursday, February 15, 2018. Sergeant ACKLEY advised HALBROOKS that if he wanted the business not to operate, STACE could either surrender the liquor license or get a temporary restraining order with Aaron OHLSSON listed as the respondent. From what Sergeant ACKLEY understands, David HALBROOKS had multiple conversations with City of Milwaukee ACA Nick DESIATO, who stated the same thing; if HALBROOKS and STACE did not want OHLSSON to be operating the business, they could surrender the liquor license or get a temporary restraining order. From the time that Sergeant ACKLEY spoke with David HALBROOKS on the phone Thursday night to the time I conducted the following tavern investigation, the two could have gotten a temporary restraining order during the day on Friday, February 16.

Upon arrival on Friday 16, 2018, at about 10:00 pm, I spoke to Aaron R. OHLSSON (W/M 1/3/1990). OHLSSON stated that he operates the theater and the events at the theater OHLSSON stated that the Class B Tavern license is through William J STACE (W/M 4/13/1954). OHLSSON stated that he was having a show tonight and that he had a licensed bartender on scene Daniel R. GRABOWSKI (W/M 12/22/1985) Bartenders license# 0226099. While on scene, I also cited Christopher P. RICCI (W/M 4/10/1998) for the violation of bartending without a license at the same location on 2/10/2018.

At approximately 11:50 pm on the above listed date Squad 1460 (P.O. BOGUST and I) Squad 1430 (P.O. FRANK) and Squad 1431 (P.O. DOMINE) were instructed to conduct a count of the patrons leaving the show that night. Upon entering the theatre, I was told that it was a sold out show and that it had been sold out for 3 weeks. OHLSSON stated that there is a list of people who purchased tickets and only those people would be allowed entry. I asked OHLSSON if he knew his capacity and he did but he believed he was allowed to add the capacity of the adjoining tavern (Stage Right) to his capacity. All squads on scene began counting at 1:00 a.m. all people in and out. We concluded the count at approximately 1:25 am. P.O. FRANK, who was posted at the rear door, had no people in or out. P.O. BOGUST, who was posted on the front southernmost door, label MIRAMAR Box Office, had no people in or out. P.O. DOMINE and I were at the triple front doors of the theater. I had instructed security guard to stand at the middle door to prevent people from exiting through that door. I counted the northernmost door, and P.O. DOMINE counted the southernmost door in the triple door configuration. I had a count of 171 persons, and P.O. DOMINE had a count of 280 persons. Following the patrons exiting, I spoke to OHLSSON and he stated that he had eight people working for him and that the band had five members. The final count of person inside was 465 including OHLSSON, and the Theatre had a DNS total listed capacity of the 327 leaving the theatre 138 people over capacity. My body worn camera was activated during the time I was counting the patrons leaving.

At the time this report is being submitted, there have been no citations issued for the capacity violation. Representatives of the Milwaukee Police Department will be reaching out to William STACE and David HALBROOKS to request a meeting at District One with the District One Commander, Captain Diana ROWE. William STACE will be issued citation # 6160427-0 for over capacity during that meeting.

P.O. BOGUST preformed a tavern check at the Miramar on both Saturday, February 17, 2018 and Sunday, February 18, 2018 and the Theatre was open for events and Aaron R. OHLSSON was running the events and the bar was being tended by Daniel R. GRABOWSKI (W/M 12/22/1985) Class D license #0226099.

Our security team will constantly roam the premises in search of any underage patron attempting to drink alcoholic beverages. They will also be at each bar monitoring transactions to ensure no pass backs of back door purchases are made.

How do you plan to ensure that underage patrons are not on your premises after Milwaukee curfew?

We end all events 30 minutes or more before curfew to ensure security has plenty of time to do a full sweep of the venue. All shows are 17+ unless all ages are required then shows end at 10p.
