SUBJECT: 10TH ALD. DIST. - FILE #210138
INSTALL STOP SIGNS ON NORTH 48TH STREET
AT WEST CHERRY STREET

REMOVE YIELD SIGNS ON NORTH 48TH STREET
AT WEST CHERRY STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the southeast and southwest corners of the intersection in the form of a house and bushes that would warrant the above-captioned change in the traffic control at the intersection. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
City Engineer
