REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN
THE 4TH ALDERMANIC DISTRICT

Dear Alderman Henningsen:

As part of our on-going review of parking regulations in the City of Milwaukee, we have discovered that the ordinances for several parking restrictions are no longer needed. Since the signs have been removed, we recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. West Wells Street, from North 5th Street to a point east - No Parking
2. North 4th Street, from West State Street to West Kilbourn Avenue - One Hour Parking
3. East/West Wisconsin Avenue, from North Marshall Street to North 8th Street - Tow Away Zone

Very truly yours,

Jeffrey S. Polenske, P.E.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderwoman Johnson-Odom:

This is in response to a request we received from Mr. Harold Rehorst to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of this parking restriction would not only provide better two-way traffic flow, but also be consistent with the parking restriction along North Lydell Avenue in the City of Glendale.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderman Nardelli:

This is in response to a request we received from Mr. Jim Livingston to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of the No Parking would allow trucks to maneuver easier in this industrial area. Since Mr. Livingston owns the property adjacent to this restriction, we have no objection to installing the parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

INSTALL NO PARKING ON THE EAST
SIDE OF N. 80TH STREET, FROM A
POINT 120' SOUTH OF W. ACACIA STREET
TO A POINT 30' FURTHER SOUTH

Dear Alderman Nardelli:

This is in response to your request on behalf of Ms. Toby Harris to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that westbound motorists exiting St. Peter apartments have a difficult time seeing traffic traveling northbound on North 80th Street when vehicles park close to their driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase westbound motorists' visibility of northbound traffic.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
