Hello, I am 100% against a multi- family development at the above address. I live across the street at 6049 n 35th street. My concerns are as following: increase in criminal activities, parking, noise violations, litter the building overall appearance in the middle of single family homes. Parking is already horrible. Whenever the church has an event attendees park with no regard for the citizens that live in the neighborhood. Just down the street there is Florist Gardens which has consent police activity, and even had SWAT response not to long ago. Stripped abandoned cars are dumped in alleys blocks parking slabs. Everyday cars are empty content from vehicle on the street. A bigger parking lot would serve a better purpose for the church vs a multi unit residential property. Thank you your attention to this matter. Including are pics of church parking and abandoned vehicles 1/7/2024
