Re: C.I File No. 03-S-157

Dear Sir/ Madam:

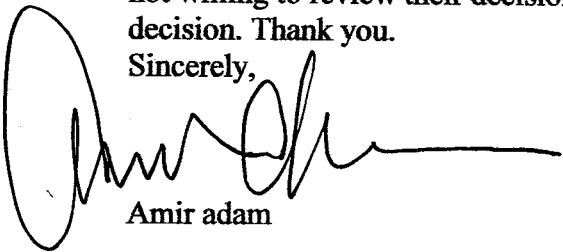

I am writing regarding a letter from Mr. Steve Carini, informing me his of his investigation. I am totally shocked and angered by the out come of his investigation, the collection crew did not take my trash bin on February 7, 2003 .

When I initially contacted my district, I spoke with the supervisor, Tod Henry. He did his own investigation and responded to me to inform me that the crew had actually taken my trash bin and that the only thing he could do at that time was, I should file a claim against the city.

The supervisor also explained to me, in the future, I should not leave any personal trash bins in the alley. It would be taken claimed by the collection crew. I explained to him that I was not aware of that, as I had just moved to the neighborhood and I had previously as I mentioned, used to regularly leave both the city's and my personal bin out for collection. Now I am fully aware of the situation not to leave any personal trash bins out for collection. The supervisor informed me that I should file a claim because I was not aware of that fact. That is why, per the supervisor's recommendation, I previously filed my claim.

I am requesting that the city re-consider their decision and settle the claim. If the city is not willing to review their decision, this letter would serve as an appeal to the previous decision. Thank you.

Sincerely,

Amir adam

Re: Claim against the cite of Milwaukee

Dear Sir/ Madam:

I have moved to my new home at above address on November of last year. I have been doing some cleaning in my basement and every now and then, I would load up my 44 Gallon trash bin and leave it right next to the city's Garbage bin on my alley. The garbage truck would come regularly empty both bins and leave both bins right where they are. On February 7, 2003, As usual, After I put my trash bin right next to the city's trash bin for garbage collection, I discovered that it had been taken by the city, the garbage collectors. I notified the north sanitation division, which covers my area about the problem. The supervisor, Tod Henry advised me to file this claim.

Enclosed please find a quote from the Home depot store, where I had bought this bin. I do not have the receipt any more and this is the only proof of purchase I could provide. I would appreciate your cooperation in resolving this matter. Thank you.
