Re: Communication from Edward & Pamela Virgil
C.I. File No. 04-L-95

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimants, Edward & Pamela Virgil, 5043 north 19th Street, Milwaukee, WI 53209 alleges that on May 14, 2004 they sustained damages when a City sewer backed up into their basement. They claim damages in the amount of \$21,931.00.

Our investigation reveals that the Infrastructure Services Division records indicate that they investigated a backwater at 5043 North 19th Street on May 14, 2004 and found the Milwaukee Metropolitan Sewerage District interceptor sewer to be surcharged causing the City main sanitary sewer to back-up into the basement. Saturated ground conditions and severe rain that

occurred on this date resulted in flows that exceeded the capacity of the system. As such, the City would not be liable. Accordingly, we recommend that this claim be denied.

Very truly yours,

GRANT F. LANGLEY
City Attorney

Assistant City Attorney
