Hello,

I am a resident in the neighboring Condo building at 1220 E. Locust Street, and I wanted to note that the Dollar General has been a less-than-stellar neighbor. Frequently leaving their dumpsters open and outside their enclosure causes a lot of waste and debris to blow out and litter their yard and our own. It is often not picked up by Dollar General on their own lot, let alone their neighbor's. They do a poor job of cleaning up their own lot of litter from their products, including broken glass that finds its way onto our shared driveway. At least once a month, their delivery trucks block access to our driveway, causing complications with entering or exiting the garage. Their delivery trucks also cause an undue amount of wear on our shared driveway, making large cracks and potholes.

I hope you can take this into consideration when considering their license. Thank you.
