CCFN 200723 (sub.2), a substitute ordinance relating to establishment of a street lighting fee, is approved as legal and enforceable.

As a resolution, CCFN 200726 (sub.2), a substitute resolution relating to implementation of a street lighting fee, does not require a determination of legality and enforceability. That said, Sub. 2 reflects the recommended revisions discussed on Monday and looks good. The only technical correction is a typo in paragraph 2 of the first Resolved clause: delete the period before the semi-colon.

Please let me know if you need anything further.
